Hello,

Attached is a newer version of the Subpart W ANPR, reflecting a few minor typographical corrections (b) (5). Please Delib
let me know if you need further information or clarification. Thanks for the heads-up!

Hello all,

I'm writing to find out if the attached version of the Subpart W NPRM is the version intended to be transmitted to OMB? It has been in OP since May 2012, but I understand that it may soon move. Please let us know if we should continue to use this version!

Thank you,
Caryn
